

# Undergraduate Research in Natural and Clinical Science and Technology Journal

“Research in Earnest”

## CALL FOR RESEARCH ABSTRACTS

### 2nd URNCST Journal Case Competition

Funded by the  
Government  
of Canada

**Abstract Submission Deadline:** Dec 1, 2018 @ 11:59pm EST

**Publication Date:** Jan 2019 (tentative)

**Case Competition Topic:** For many people around the world, pollutants in their general environment negatively impact the quality of reproductive health. Such pollutants can affect the mother, father or fetus. We welcome submissions from any science or technology disciplines relating to the following: “Human Reproductive Health and the Environment”.

**Eligibility:** Students enrolled in an undergraduate (i.e. life sciences, biology, chemistry, etc.) or professional-undergraduate (i.e. medicine, pharmacy, nursing, etc.) degree program.

#### What are the benefits of participating?

- All participants will receive peer-reviewed, constructive feedback on their abstract submission.
- Accepted submissions will be formally published in an abstract book with a citation and indexed to Google Scholar.
- The authors of the highest-quality abstracts will be invited to publish a full-article based on the research abstract.
