About

The Undergraduate Research in Natural and Clinical Science and Technology (URNCSST) [pronounced "earnest"] Journal is the leading open access, indexed, peer-reviewed publication for undergraduate research conferences. The journal accepts abstract submissions from planning committees globally, while striving to innovatively promote undergraduate research initiatives in the process.

Journal Scope

The URNCST Journal accepts abstract and article submissions from a wide range of disciplines, including the following:

- Biology
- Biotechnology
- Chemistry
- Physics
- Earth and Environmental Sciences
- Psychology
- Medical Science
- Clinical Science
- Health Science
- Clinical Medicine
- Health Biotechnology

The Difference

The URNCST Journal combines quality editorial standards and high article visibility, providing undergraduate researchers with the optimal publishing experience. Here are just 8 reasons why:

- Open Access
- Prestigious and Peer-Reviewed
- Rapid Turnaround Time
- International
- Broad & Multidisciplinary
- Indexed & CrossRef/DOI
- Innovative
- Social Media Promoted

Resources and Opportunities

The URNCST Journal is committed to sharing opportunities and resources in research and education that we feel would benefit researchers as well as our authors and readers.

Examples of opportunities that may be posted include, but are certainly not limited to, research opportunities, internships, conferences, scholarships/awards, and more.

Examples of resources that may be posted include, but are certainly not limited to, books, software, websites, and more.

Do you have an opportunity or resource worth sharing? Please contact us at info@urncst.com

For Conference Planners

Are you planning an undergraduate research conference?

Submit your abstract book to the URNCST Journal today and experience open access, indexed, pre-conference publishing!

All authors who submit a future article based on their abstract receive a publishing fee discount!

Ready to publish your conference abstract book?
