Delegates Attending Partnering Conferences

Delegates attending a conference or case competition that is an official partner of the URNCST Journal are provided with a special, limited-time opportunity to submit their full manuscript for publication. If you are interested in this opportunity, please contact the conference’s planning committee.

URNCST Journal Mentored Paper Initiative

We provide undergraduate students with the opportunity to contribute to STEM research literature, by pairing them with a graduate student mentor and publishing their article in the URNCST Journal.
